**APPLICANT'S COMMENTS ON EXAMINER'S
STATEMENT OF REASONS FOR ALLOWANCE**

In the Reasons for Allowance set forth in the Office Action mailed June 20, 2008, the Examiner paraphrased a portion of some of the independent claims. The applicants note that it is a well-known tenet of patent law that each allowed patent claim should be considered as a whole. Furthermore, the other independent claims, as well as the dependent claims, define additional patentable subject matter that is independently allowable.
